

GUIDE TO THE
ACACIA BLOCKS

MEET THE ACACIA BLOCKS

Acacia Blocks is a series of modular furniture exclusively designed in-house by M.INT. The blocks can be effortlessly connected and stacked using magnetic connectors – giving you fun and freedom to transform your spaces however you like, whenever you like. From storage displays to desk organisers and partitions, it's all up to your creativity!

MAGNETIC CONNECTION

Acacia Blocks are intuitively designed with magnetic connectors so that you can easily attach and detach individual blocks to create your own furniture piece.

Simply attach the connectors onto the side holes of the Acacia Blocks to build your own configuration, without the need for drills or fasteners.
